There is really no way I can solve some of the problems I have.  
Sometimes I feel I am being pushed around in life.  
I have little control over things that happen to me.  
I can do just about anything I really set my mind to.  
I often feel helpless in dealing with problems in life.  
What happens to me in the future depends on me.  
There is little I can do to change many of the important things in my life.

18. The following statements ask you about how you feel things have been with you during the past 4 weeks. For each question, please give one answer that comes closest to the way you have been feeling.
